

ZORFLEX[®] Medical Cloth

100% Activated Carbon Cloth

The Product

ZORFLEX Medical Cloth
Manufactured by Charcoal Cloth International
100% activated carbon cloth
Knitted or Woven forms in varying densities

The Properties

Fast adsorption kinetics
Protection against a wide range of airborne agents
Odour and bacterial adsorption
Available with nano dispersed Silver ions
Can be sterilized
Breathable to aid wound healing

Applications

Wound dressings
Ostomy bag filters
High purity filtration
Air purification
Water filtration and purification

Custom Solutions

Product development.
Custom widths
Lamination to other textiles or films
Available in wound dressing pouches
Special cut shapes eg. discs, squares
Chemical Impregnation for particular adsorption chemistry

Safety Message

Wet activated carbon preferentially removes oxygen from air. In closed or partially closed containers and vessels, oxygen depletion may reach hazardous levels. If workers are to enter a vessel containing carbon, appropriate sampling and work procedures for potentially low oxygen spaces should be followed, including all applicable Federal and State requirements.
