

PUREPAX™

Just pure, clean air

At Calgon Carbon, headquartered in the heart of Pittsburgh, we're not just manufacturing products; we're crafting solutions that celebrate Pennsylvania's legacy of innovation. As pioneers in the activated carbon industry, we're proud to introduce PUREPAX, our latest breakthrough in carbon-based odor elimination technology. As members of the PA Chamber of Commerce, we are thrilled to participate in the "Coolest Thing Made in PA" contest, showcasing our commitment to enhancing lives and environments, right here in Pennsylvania. PUREPAX embodies our dedication to safe, natural, and effective solutions.

Pure Air, Pure Innovation

PUREPAX is not just an odor eliminator; it's a breakthrough in carbon technology, designed to purify your living spaces effectively. Crafted with care in by the global leader in manufactured carbon, PUREPAX embodies our dedication to delivering a safe, easy-to-use, and long-lasting solution for neutralizing odors. Experience the difference with PUREPAX, where innovation breathes life into freshness.

Discover the Science Behind PUREPAX

Scan this QR code to learn more about how PUREPAX leverages advanced carbon technology to purify your world:

Odor Eliminator

PUREPAX is a powerhouse when it comes to absorbing a wide range of odors—say goodbye to strong odors

Safe

No harsh chemicals and fragrances— for use in the home when used as directed

Easy

Simply place PUREPAX in the area where you want to remove odors— no messy sprays or gels

Versatile

PUREPAX can be used in a variety of places to remove odors, including closets, drawers, kitchen, refrigerators, lockers, gym bags and automobiles— anytime, anywhere

Long-Lasting

PUREPAX can last for months, depending on the size and the severity of the odor— beats the competition in odor eliminating capacity
